A Challenge to Club Presidents!

This year's tournament will be held at Bear Trace at Cumberland Mountain in Crossville, TN. The date is Friday, October 15. The course and facilities are WELL above par and we anticipate a top-notch event.

Please encourage your club to participate on several levels. Your club can sponsor a team to represent your club, make a donation to help sponsor the event and ask your membership to make individual contributions.

Our effort this year is to make this more than just a fellowship opportunity. If we have your help, we can raise some money for a worthy cause, create some advertising for members and community organizations and maybe even recruit a few Rotarians in the process!

Sponsor a Team

Get four Rotarians from your club to play on a team representing your club. Use this event as a member recruitment tool! Send one Rotarian to play golf with three potential members and show them how much fun Rotary service can be! This is a great fellowship opportunity and, who knows, you might bring home the District 6780 Trophy!

Sponsor the Event

This year the District has selected Polio Plus (to help meet the Gates Challenge) as the recipient for all profits. By sponsoring the event your company / organization name will be displayed at the registration table and announced at every opportunity as sponsor of the event.

Sponsor a Tee or a Cart

Be noticed! By sponsoring a Tee, you will have the name of your company / organization displayed for all golfers to see at the beginning of one of the holes. Or, if you sponsor a cart, your company / organization will be seen by at least four golfers for the course of the day!

This is a great way to advertise your company at a Rotary event without being fined!

The Governor's Cup

Competing teams must be comprised of all Rotarians from the same club. The winning team will retain the Cup at their club for the year following their winning the cup. The following year the Cup will be passed to that year's winning team. Should there be no team qualifying and winning the Cup, the Cup will be returned to the club sponsoring the Governor's Cup (Tulahoma Noon). Teams competing for, but not winning the cup will be eligible for flight awards.
