District Simplified Grants vs. Matching Grants

■ Local, small, fast

- Dictionary project
- Playground
- Rural water testing
- School books
- School supplies
- Weekend food packs
- Science fair
- Leadership training

■ International, larger

- Water supply in Haiti, Ghana and Thailand
- Nigeria blood bank
- South Africa school bus
- Mexico medical and school equipment
- Thailand school library
- Bolivia literacy

District Simplified Grants

What's new this year?

Start Earlier

Financial Controls

DSG Timing

■ Last 2 years –

- Application form available June 1
- Applications accepted July 1
- Applications submitted – July 13 through June 1
- Projects completed – Mostly in the following year

■ Next year –

- Application available now – March 20
- Applications accepted April 1
- Funds mostly reserved by October 1

DSG Financial Controls

- Control Grant funds, Club funds, Individual donor funds carefully. Consider your options early:
 - Club's project committee
 - At least 2 people review expenditures
 - Independent of beneficiary and cooperating organization
 - Competitive bids for major items
 - Review work before paying
 - Do what makes sense for your project

New section in DSG application

- Project Financial Control – Describe how you can demonstrate that Rotary funds are being properly spent. Examples: 1) have a committee for the project that does not include personnel related to the beneficiary or the cooperating organization. 2) Get competitive bids for major items to show that they are reasonably priced.

The Rotary Foundation Committees - Humanitarian Grants

What is the Humanitarian Grants program?

The Rotary Foundation's Grants Program assists clubs and districts in developing international and local service projects and uses Foundation, district and club monies to fund them.

The Grant Program is a wonderful way for Rotarians, clubs and districts to get more involved in your community and in the world.

How many kinds of grants are there?

There are three primary kinds of grants:

- **Matching Grants**, which support Rotary clubs and districts as they implement short-term humanitarian projects with the aim of sustainable development (click on the underlined link above or the link at right to go to the Rotary International website pages that describe the program fully and provide links to the various documents and forms associated with the program)
- **Individual Grants**, which subsidize travel for Rotarians, Rotaractors and qualified Foundation alumni for qualified international humanitarian service in Rotary countries for up to 90 days (click on the underlined link above or the link at right to go to the Rotary International website pages that describe the program fully and provide links to the various documents and forms associated with the program); and
- **District Simplified Grants (DSG)**, which provide money for clubs in our district to implement humanitarian projects locally or internationally. Click on the link above or the one on the right to go to the Rotary International website pages that describe the program fully.

At right, you'll find the forms that provide more information on our local DSG process and the application and report forms that required for a grant for your club.

- Shawn McBride, Tullahoma, 931-455-0654
- PDG Karen Wentz, Maryville, 865-357-9571

Stewardship

The Trustees rely on the integrity of the clubs and Rotarians engaged in project implementation to ensure that funds are used effectively for the purpose for which they were given
